NEWS & NOTICES

NHS Careers Talk

We were delighted to welcome Dr Ellie Cannon to the Academy on Monday morning to talk to our students about a career in medicine. Students from Years 10 & 11 were invited to attend the seminar which was organised by Speakers4Schools in conjunction with the NHS 70th birthday celebrations. Dr Ellie is used to speaking to large groups and often appears on Sky News Sunrise and also has a weekly health column in the Mail on Sunday, consequently this made for a very engaging and interesting presentation for students.

Road Safety Talk

Year 7 students enjoyed an entertaining and informative workshop this week on road safety. The Riot Act have been coming to the Academy for a number of years now to perform to students about the importance of travelling sensibly and safely when walking and using public transport. The year group thoroughly enjoyed the afternoon and we are grateful to the company for another great show.

STUDENT STAR OF THE WEEK

Year 7 : Honest

Layla Jerome and Otis Michael-Reid for giving honest and articulate speeches at Open Evening to prospective parents and students. They both did extremely well and helped a lot of future students feel at ease.

Year 8: Joyful

All of the Year 8s who were department helpers during Open Evening and were amazing representatives of the Academy!

Year 9: Compassionate & Patient

Mollie Conrad for her outstanding contribution to open evening, compassionate and patient.

Year 10: Considerate & Joyful

All the Year 10s who helped out as tour guides at the open evening. They were amazing ambassadors for the Academy and were highly praised for their professionalism.

Year 11: Joyful

All the Year 11 students who were great ambassadors for the Academy during our recent Open Evening. What a great advert you were for the parents and young children who attended. We are very thankful and proud of you.

Sports Star

Thomas Ashley for being “Man of the Match” in the rugby match against Cheam High on Monday. Tom put in an outstanding performance.
