### X3 - Executive Directors

Job responsibility:- is to ensure that all aspects of student leadership are being implemented and maximised in all aspects of the Academy. Executive directors will track the progress of Principal directors and provide weekly feedback to the Academy Leadership team on progress and developments. They will reward progress to principal directors as targets and achievements are met. Executive directors are accountable to Mr Cheshire and the Academy Leadership Team to ensure that their targets are met. Executive directors will meet with Principal directors to discuss progress, achievements and developments in their area.
