Alister Ross

Principal Director – Business Communications

Job responsibility:- is to oversee Business Communication and to ensure that all areas are achieving their targets. They will monitor the progress of six department areas which focus on Website and internet, vision, environment, business, finance and sponsorship. They will ensure that each area has set targets and feedback regularly to Executive Directors on the progress of each department. At key points Principal Director may need to liaise with other department heads through their Principal Directors. On a two weekly programme Principal Directors will meet to discuss progress, achievements and developments in their area.
