WE'VE MOVED IN!
Our new Academy is absolutely stunning. We are so privileged to have such amazing facilities and we can't wait to share them with you. We hope you will take the opportunity to visit us at some of the many events planned over the coming weeks.

"I have to say that the Academy is looking absolutely brilliant, I have run out of words to describe the building. I am so proud of it: all this hard work has paid off. It reflects on the true Oasis Academy Coulsdon, it's what we have been waiting for, for a very long time. As you know, I also have high expectations of this Academy and we will do what it takes to be an "OUTSTANDING" school. I know that you are extremely proud of it too. A huge thank you must be given to WILLMOTT DIXON for all their hard work. It's just amazing"

Our new building is branded with the new look Academy logo! We still retain the all encompassing 'circle of inclusion' symbolising the diverse and inclusive ethos on which all Oasis Academies are based.
