## Message from the Principal

Dear Families,

Welcome to the final week of this half term. I firstly want to say a massive thank you to all of our students that were in Annie - they were amazing! A big thank you in particular to Aisha, Isobel and Zoe who were such amazing role models for everyone.

Many thanks to those of you who give us regular feedback on what you would like to improve and what is going well. Thank you for either contacting directly or using the anonymous 'Let us know' form. Recently some of the feedback I have received is regards to how different it is between primary and secondary school in terms of knowing how things are going and so I have been thinking of some extra ideas for next year and I am also going to record mini videos to accompany these bulletins.

We have a quiet week this week as it is assessment week and students will be taking mini tests in their academic subjects to look at their progress and check how they are getting on and then help teachers with their planning for next half term.

That does not mean that we aren't going to have a lovely week too, we will be celebrating Shrove Tuesday (pancake day) a week early on Tuesday and students will be getting their own red envelopes in time for Lunar New Year this Saturday.

Please remember that attendance is so important for students especially during these assessment weeks.

Have a lovely week.

Ms Green  
Principal
