Message from the Principal

Dear Families,

We had a fantastic start back last week. A huge well done to Year 7 for their excellent attendance and wonderful behaviour. Our Year 11s also came back working so hard and we are so proud of them. It was lovely to also meet so many of you at the Year 8 parents evening and hear all about your children's successes.

Year 10 are starting out their First Give Project and I've been blown away with their professionalism with their charity projects. Watch this space as there's going to be a lot of fundraising activities this half term!

Tomorrow I am awarding both bronze and silver badges to our students with managed three or six weeks respectively of 100% attendance and no demerits. We are now rolling out the same for the next three weeks for anyone in year 9 and 10 who achieve the same. We are really impressed by all of the students receiving these tomorrow.

Well done to 7VH who had 100% attendance for the entire of last week - they have earned a non uniform day this week!

Have a lovely week.

Best wishes,

Ms Green
Principal

NOTICES

WORK WITH US

We are currently recruiting for a Community Lettings Assistant; the role is to assist our local groups in letting the facilities at the Academy.

It is a zero hours contract paid at £13.64 per hour and would suit a part time or retired person with maintenance experience. Please contact

Hannah.Suleyman@oasiscoulsdon.org

if you are interested or would like to find out more information.

ONLINE SAFETY

This week National Online Safety are sharing their free guide to parents on [What Parents and Carers Need to Know About Clickbait](#). It is estimated that around one in five headlines online are clickbait. This ploy designed to grab attention with sensationalist headlines rather than legitimately inform is one that young people can be especially susceptible to. Find out more in this week's guide.

ATTENDANCE MATTERS

The attendance for the first week back was very positive, with the whole school coming in at 91.06%! We very much hope this is a trend for the summer term and continues to stay this high.

Well done to Year 7 who were top of the leader board last week.

Year 7	94.14%
Year 9	92.66%
Year 8	90.74%
Year 11	90.71%
Year 10	86.99%

Live attendance data is available on the parent and student MCAS apps.
