## Message from the Principal

Dear Families,

We are really looking forward to this week. Students were fantastic last week with feedback week and worked so hard.

Our Year 11s are nearly there with their mocks - just a couple each left to do. We then are really starting the last chapter of school for them as we start revision in lessons before the real exams start in just three months!

Our Year 9s are also starting a new chapter as they join us for options evening this Wednesday. We are really excited for them as they make their first decisions on their future.

For our Year 10s, college open days start this week and we would really recommend they start looking now so that they have an idea of the options open to them. East Surrey have their open evening tomorrow, Coulsdon College on the 22<sup>nd</sup> March, Nescot is on the 22<sup>nd</sup> May and Reigate have theirs later in the year. Whilst they will be targeted currently Year 11s, it is really worth getting in there early. We will visit many of them as a school in the summer term as well.

For the remainder of our students we look at careers each week in mentor time so that we prepare them as well as we can for their future.

Have a lovely week.

Principal

### ONLINE SAFETY

This week National Online Safety are sharing their free guide to parents on '10 Top Tips on Supporting Children with Self-Regulation'. The ability to manage our thoughts, feelings, and behaviours in effective ways is gained gradually throughout childhood. However, this skill can be trickier for some to master than others. Check out this week's guide on Self-Regulation to see ways you can support your child with this vital life skill.

In the first week back whole school attendance was 91.04%. We are really pleased with this rise and hope that as we come into spring and there is less illness that this rise will continue.

Well done to Year 11 who were top of the leader board last week.

Year 11	93.20%
Year 7	92.99%
Year 9	90.81%
Year 8	90.64%
Year 10	87.55%

Live attendance data is available on the parent and student MCAS apps.
