

Punctuality

Punctuality matters!

- **Lateness to class affects your learning and disrupts the lesson for the teacher and other students.**

- **Lateness is becoming a serious issue for some students.**

Punctuality

- It is your responsibility to leave your home in enough time to be here by 8.25am.
- If buses are busier, you need to leave a little earlier.
- If you are close enough to walk, you should do so – it will get you here on time and it is safer.
- If parents/carers drop you off, please ask them to leave home on time.

Consequences

- These consequences for lateness will begin from tomorrow morning:
- Arriving after 8.30am = 1 demerit
- Arriving after 8.45am = 30 minute detention (same day)

- *Purpose not Power* – your education is important. Every minute lost affects your progress.
