Dear Parents and Carers,

RE: Parent Feedback on New Homework Procedures

I wrote to you in September regarding our new approach to setting and tracking homework. As we are constantly striving to listen to parents and adapt accordingly, we are asking you to provide some feedback and suggestions on how we can improve. Please could you take the time to fill out the attached survey so we can refine and improve our policy? You have the option of links to follow below, and the survey should take no more than five minutes.
