Parents/ Carers,

RE: Oasis Academy Coulsdon Annual Rewards Event

As part of our ongoing commitment to student voice, we have asked students to select a range of potential trips that they would be interested in. The students have selected Thorpe Park, The Light (Redhill), and The Theatre. More information on specific dates, pricing and which performance will be visited will be provided at the end of this half term.

As these trips are aimed at rewarding those who have demonstrated our core principles consistently, students with the highest student score (merits minus demerits will give an overall student score) will be given the opportunity to select which trip they would like to attend first. The remaining students who qualify for the rewards event will then get the chance to choose which event they would like to attend from the remaining places available.

Students who do not qualify for the rewards trip due to their student score, will be expected to attend and will have a day of work shops by external agencies that is aimed at enhancing academic and pastoral engagement.

We look forward to rolling out our new approach to rewards and will be in contact soon with more information.

Yours sincerely,

Mr Clarke
Assistant Principal

Principal – Ms Catrin Green
