

4th September 2023

Dear 11 Year Parents/Carers,

As you will be aware from our earlier letter, we are currently suffering a bereavement with the loss of one of our former students.

We are currently working with past and present members of OAC to support them as best we can at this very difficult and sad time. Due to circumstances surrounding this event, it will be necessary to postpone the Year 11 Information Evening that was due to take place on Wednesday this week.

Therefore, the new date for the Year 11 Information Evening will be **Thursday 7th September, 5-6.30pm**. We apologise for any inconvenience this may cause, and hope that you can understand this need in these exceptional circumstances.

Doors will open from 4.45pm ready for the talk to begin at 5pm. Following the main presentation of the evening, we will then break into workshop sessions where you will be able to choose which to attend based on yours/your child's needs. The workshops will focus on:

- How to succeed in Science
- Achieving the highest grades and aiming for a top university
- Supporting your child with SEN
- Managing stress
- Motivation

Revision guides will be available for sale on the night. For this evening only, we will accept cash from those wishing to purchase revision guides. This is a great opportunity to get all the necessary revision materials for the year if you don't already have them.

Should you be unable to attend the Information Evening, please ensure you contact your Child's Mentor as soon as possible to let them know.

We look forward to seeing you later this week on Thursday 7th September 2023.

Yours sincerely,

Ms van Gelder
Assistant Principal

Principal – Ms Catrin Green
