

29th September 2025

Dear Parents and Carers,

Thank you for attending our Year 10 Information Evening. It was wonderful to see so many of you there, and we hope you found the evening informative and helpful as your child begins this important stage of their education.

As discussed, this year marks the start of their GCSE journey, and it's vital that students are fully prepared to make the most of every learning opportunity. **Being on time and ready for lessons with the correct equipment is essential**—every minute counts, and every lesson missed sets students back.

Attendance is crucial, and we ask for your continued support in ensuring your child is in school every day, ready to learn. **Homework plays a key role in consolidating classroom learning**, and our homework timetable has been carefully designed to support workload and promote good study habits.

We encourage students to **start revising now**, building routines that will help them manage their time effectively. A healthy balance of **sleep, recreation, school, revision, and nutrition** is key to maintaining wellbeing and academic success.

Your involvement at home makes a real difference. Please support your child's revision by being engaged—ask questions, help them stick to their homework timetable, and encourage them to take pride in their progress.

Thank you again for your ongoing support. If you have any questions or would like further guidance, please don't hesitate to get in touch.

Yours faithfully,

Mrs S Bester
Year 10 Family Leader

"This is a school that cares about its pupils."
