

17th March 2022

Dear Parents/Carers,

As we are sure you are all aware, the deadline for accepting/declining secondary school places for your child in September 2022 has now passed. If you are yet to accept your place, then please get in contact with your local authority, or contact the Academy if you have any queries or concerns. Please note, if your place is an EHCP or ELP offer, arranged via the Local Authority SEN team, you do not need to accept this via eAdmissions.

All local authorities will now be processing the responses from parents to their secondary school offer, which they will then share with us as updated lists in the coming weeks. At this point all declined spaces will be removed and deleted from our records.

Once we have received our updated lists we will be in contact with further information and forms for completion. In the meantime, please ensure you have completed the All About Me Form with your child so that we can begin to get to know our new cohort of students. We have loved reading the responses we have received so far.

We are also pleased to share with you some key dates for your diary:

Individual Meetings

These are 15 minute meetings held with students and their parents/carers with one of our members of staff. They are designed to help address your individual queries and concerns about moving up to secondary school. We use the information you share in your all about me form as well as data from primary schools to help shape conversations and get to know you better. These meetings can be pre-booked nearer the time via an online booking system we will share with you. Dates these meetings will take place on are below, please note you will only need to attend on one of the dates.

- **Monday 13th June, 4.30-6.30pm**
- **Wednesday 22nd June, 4.30-6.30pm**
- **Thursday 23rd June, 4.30-6.30pm**
