

July 2022

Dear Parent/Carer

## RE: Taster Instrumental Music lessons

At Oasis Academy Coulsdon, we are keen to develop the musical and performance skills of all our students. This year we have worked hard to be able to offer more opportunities to learn musical instruments through a variety of extra-curricular and private lessons.

We are really excited to be able to offer every student in year 7 a whole term of lessons in small groups on an instrument. Students will then have the opportunity to continue learning the instrument when their term is complete. Students will have 10 30-minute lessons across a term.

The instruments available are Violin, Saxophone, Clarinet, Flute, Piano and Guitar. We will allocate instruments based on preferences indicated when completing the form.

We ask that if your child already has experience on an instrument to try something new for this project as this will help with putting students into groups.

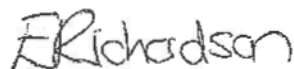

Students are more than welcome to have additional lessons as detailed in the music lesson letter in this pack.

Please can you complete the attached form with instrument choice. Where some instruments may be more popular than others there is a chance not all students will get their first choice.

### [Instrument choice form](#)

If you have any questions, please do not hesitate to contact me. We are really excited to be able to offer this experience to year 7 next year.

Yours sincerely,

Mrs E Richardson
