BBC World service. These podcasts investigate global development issues. Learn about the urban issues within Africa and South America and how people are attempting to overcome poverty.

*Read this:* *Prisoners of Geography* by *Tim Marshall*

Prisoners of Geography by Tim Marshall explores how and why places around the world have developed. For example, Marshall explains how the physical landscape of Africa has caused the population to suffer from poverty. Fascinating read for anyone thinking of studying Geography at a higher academic level.
