

IF YOU ENJOYED STUDYING SUSTAINABILITY, WHY DON'T YOU...?

WHY DON'T YOU...?

*Watch this: DAVID ATTENBOROUGH:
A LIFE ON OUR PLANET (2020)*

Described as his “witness statement” on the environment, David Attenborough: A Life on Our Planet lays out humanities’ impact on Earth and what actions we need to take to reverse it.

*Read this: 100 Things to Know About
Saving the Planet*

How could plastic-eating bacteria help reduce waste? Can a river be given human rights? Could we generate all the power we need from the sun and the wind? How do woolly sweaters help penguins in peril? Would building a giant sunshade in space stop the world from overheating?

*Log onto this: United Nations
<https://sdgs.un.org/goals>*

Watch the videos on Sustainable Development Goals and read about the history of them.

Do this: Visit The Science Museum

<https://www.sciencemuseum.org.uk/see-and-do/tomorrows-world>

Visit the Tomorrow’s World Exhibition at the Science Museum. How can science and technology help with sustainability?

Revise from this: BBC Bitesize UN Sustainable Development Goals

<https://www.bbc.co.uk/bitesize/articles/z7rkcmn>

Read the information on BBC Bitesize and make revision cards on each of the Sustainable Development Goals
