

IF YOU ENJOYED READING AND STUDYING ABOUT RM, WHY DON'T

YEAR11

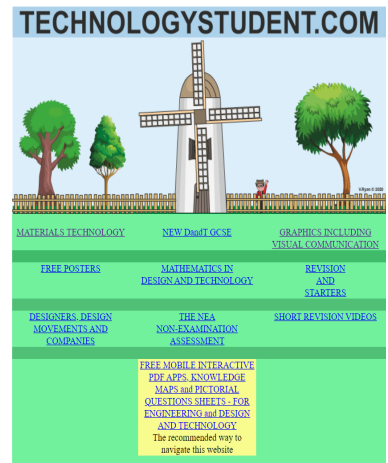

Watch this:
[How its Made Hot tubs](#)

<https://www.youtube.com/watch?v=KGAuunWs8io>
This will help with your understanding on how products are made using the Vacuum forming process.

Read this:
[Technology student.com](#)

In this website there is a wealth of reading that will help you understand about materials and how they are processed.

Log onto this:
[Technology student.com](#)
<https://www.technologystudent.com/>

Fantastic revision guide that is online. Great for looking at processes such as injection moulding, vacuum forming, blow molding and many many more processes.

Do this:
[Take a trip up to London design Museum](#)

<https://designmuseum.org/#>

Take a look at the website and see what show are on. Most of the time these are free.

Revise from this:
[OCR J310 Design and Technology Revision Guide](#)

Use revision lists provided in preparation for your exam. Use the glossary at the back to test your verbal knowledge.

WHY DON'T YOU?
