Message from the Principal

Dear Families,

I hope that you have had a lovely half term and have enjoyed the lovely weather. We are really looking forward to the term ahead, with the Year 7 residential, Sports Days, and the opportunity for our students to show how much they have learnt this year in their end of year exams (because they should be really proud of themselves).

Summer Weather

Students should apply sun cream in the morning before coming to school as well as bringing sun cream to top up during the day, a sun hat, and a water bottle to school every day to be prepared for the nicer weather ahead.

Coronavirus Update

As I am sure you are aware, there has been a rise in cases of coronavirus over the last week or so. We will be encouraging students to wear masks but at this point they are not mandatory in line with governmental guidance. If this changes we will of course inform you. We still have all of our other Covid controls in place, such as regular hand washing/sanitising and good ventilation. Students are remaining in their year group bubbles but we will be starting a rota system shortly so that all students have access to the Diner, which is more manageable now the weather has improved.

Don't forget, it is still really important to be testing twice weekly using lateral flow tests at home to help prevent the spread of Covid. If you need to order any more, you can do so by following [this link](#).

Year 11

Year 11 students are no longer full time at school but they will be in and around school over the coming weeks for PSHE lessons and career advice amongst other things. Please ensure that any Year 11 students on site attend in full school uniform as per usual. We really enjoyed our sports day with them on the last week of term, see below for some photos of the day.

Best wishes,

Ms Green
Principal

COLOUR RUN

During the week of 21st—25th June 2021, we will be marking School Diversity Week at the Academy. As well as looking at LGBT+ issues and awareness, we will be celebrating our diversity with a Colour Run on the Friday afternoon. Students are able to sign up to take part by paying the £4 entrance fee on ParentPay, available now. However, places are limited and so it is important to pay as soon as possible to avoid disappointment. Information was sent home before half term, or you can contact us with any questions.

FAREWELL YEAR 11

Although there are still a few events left in the calendar for Year 11 students at the Academy, their official last days on timetable ended at half term. Even though this is a somewhat unconventional end to their secondary school careers, we couldn't let them leave without some traditional ceremonies, and a final day of fun!

We were pleased to be able to hold our Year 11 Clap Out on Thursday 27th May, and although it took a different and socially distanced route through the Academy, it was fantastic to share this celebration with the cohort. Seeing the rest of the student body clap and cheer for their peers as they left the building in recognition of their hard work and achievements is one of the highlights of our year, and we are delighted we did not have to forgo the event this year.

This was followed by Year 11 Sports Day on Friday 28th May. A day of fun with friends, and healthy competition, was enjoyed by all. Congratulations to Redwood House who finished the day as victors.

REFUGEE WEEK

We will be marking refugee week at the Academy from 14th –18th June. As well as assemblies and mentor time sessions, we will be collecting donations for Croydon Refugee Day Centre. At the moment they are requesting the below items. If you are able to donate any items (new or good quality only please), please bring items into main reception by Friday 18th June 2021.

Socks: for men and women, all sizes

Size 1 nappies

Baby clothes: all sizes

Trainers: for men and women, all sizes

STAR OF THE WEEK

Year 7: Determination

Isabelle Ayres for overcoming her phobia of public speaking and doing her best when presenting or reading aloud

Year 8: Excellence & Family

Millie Smith-Davis for handling a difficult situation with maturity and helping a Year 9 student with a project she was doing.

Year 9: Excellence

Kelly Pirvulescu for consistently working hard and having an air of positivity.

Year 10: Family

Alfie Dunn for making the last week of the half term more joyful with his artistic contributions, and genuinely making Mr Falvey laugh.

Sports: Determination

Ashleigh Sillitto for fantastic effort in our movement analysis theory lessons.

ATHLETICS TRIALS

Trials for OAC athletics squads for the Croydon Borough Athletics take place on the following dates:

Year 7 & 8:
