## Message from the Principal

Dear Families,

At the end of this week we will be saying a fond farewell to our Year 11s. Whilst next half term they will still very much be part of the school, attending PSHE and careers opportunities, this week is their final full week of provision.

It has been a pleasure to watch them grow from Year 7 into the young adults they are now, preparing for their next step in their journeys. They have grown into such a lovely group of young people, and we are extremely proud of each and every one of them.

The pandemic has made their Year 11 a challenging one, but they have been determined to do well throughout. This week we will celebrate their final week with our annual 'Clap Out' and their final ever sports day. I know I speak for all staff when I say, they will be really missed.

Best wishes,

Ms Green  
Principal
