End of Term Message

All Year groups will receive an end of term letter tomorrow.

A mini Newsletter reflecting on the work and events of the Spring Term will be issued at the end of the week. Keep a look out for the Spring issue in your inbox on Thursday!

Attendance

We can never over-emphasize the importance of attendance, and whilst at the moment there are more obstacles in the way of attendance than usual, we would really like to finish this term on a high. Therefore, students who manage to maintain or improve their attendance will receive a treat at the end of the week [#beinittowin!](#)

HAPPY HOLI!

Students have been learning about the festival of Holi in the assemblies in recent weeks. Holi is an ancient Hindu festival celebrating the love of Radha and Krishna, and is also known as the festival of colour or spring.

The day signifies the triumph of good over evil, and is a day to forgive and forget, coming together to play and laugh. This is perhaps where the most iconic element of Holi comes to mind, when people meet to throw and spray coloured dye/powdered paint, known as gulal.

Whilst it is not possible for us to do this at the Academy, we have brightened up our Agora with some colourful bunting to celebrate; welcoming Spring and looking forward to a fantastic Summer Term.

ROAD SAFETY

As students get used to travelling to and from school again as lockdown restrictions ease, we would like to remind them of the importance of road safety whether they be walking or using public transport.

Mentors will be discussing this during mentor sessions in the coming weeks, and we are pleased to share with you resources for you to look at together at home. Click on the below image to access.
