## Message from the Principal

Dear Parents/Carers,

We are delighted to share with you this week's briefing video; please click on the image to the right below to view.

Topics covered this week are:

- Attendance
- Knowing when to be in the Academy if your child is unwell

Yours sincerely,

Ms C Green  
Principal

## NOTICES

### Last Day of Term Arrangements

Our Final Day of Autumn Term 2020 is Friday 18th December and we will be finishing at lunchtime on this day. Students will have a staggered dismissal between 12.30pm to ensure a safe departure from the Academy without crowding on busses and enabling students to socially distance themselves on their journeys home.

### Christmas Miracles

We will be running our Christmas Miracles campaign this year, with Year 10 taking the lead on the fundraising initiatives. There are a number of good causes we are hoping to support, the way we do things this year may have to change slightly, but the spirit in which they are done will be stronger than ever.

Full details of how you and your child(ren) can get involved will be shared this week.

### Christmas Dates

Don't forget to pay your £1 donation for Christmas Jumper Day on ParentPay to join in the fun on Friday 11th December.

We also have the Academy Christmas Lunch on 16th December – meals to be purchased on the day.

## STAR OF THE WEEK

### Year 7 : Excellence

Ellie Smith for being an excellent member of the Year 7 Family.

### Year 8: Politeness

Rhiana Woodhouse, Joshua Kushuro, and Nicolas Deeks for becoming the anti-bullying ambassadors for Year 8.

### Year 9: Determination

Jack Andrews for trying to turn things around and do the right thing. Well done and keep going Jack!

### Year 10: Excellence

Upasna Patel for her continuously excellent efforts across the Academy.

### Year 11: Family

Omari Levers for always offering to help in class and working really hard in every lesson.

### Sports Star

Kingsleigh Man for excellence in badminton in GCSE PE.

## GO GREEN – we love our planet

You don't have to buy a new jumper that you'll only wear once. All you have to do is take a boring old sweater and whack on some tinsel, stickers, and other decorations to make it sparkle and shine.

£1

Parent  
Pay

MERITS for all entries

Prizes for the most  
inventive and  
recycled jumper
