## Message from the Principal

Dear Families,

It was a pleasure to see so many of our Year 10 families at last week's parents' evening, we are so proud of your children and how they are doing. Thank you in particular to our Year 10s who helped to organise our mock election on Thursday.

This week is the last normal week for our Year 11s before they commence their GCSE exams. Speaking exams have already begun in earnest and whilst nervous, your children have taken this in their stride. On Friday we are looking forward to our annual 'Clap Out' where the rest of the academy will come out of their classrooms to wish our Year 11s good luck for their coming exams.

Years 7-10 will have end of year exams from mid-June and we will start preparing them for these after the holidays. We will provide you with an exam timetable closer to the time.

Best wishes,

Ms Green  
Principal

## NOTICES

### WATER BOTTLES AND SUN CREAM

The weather is now improving as we approach the summer months, and it is really important students come to school prepared for the warmer weather.

Please ensure your child comes to school with an adequate size water bottle (especially if they like being active at break and lunch), a sun hat, and sun cream applied/extra to top up.

### ONLINE SAFETY

In line with our Mental Health Awareness Week in school, we are pleased to share this week's update from National Online Safety, focussing on **Loneliness Online**.

## ATTENDANCE MATTERS

Another week with every year group achieving an attendance percentage in the 90% range— well done everyone, this is brilliant to see.

Well done to Year 7 who were top with 92.37%!

Year 9	94.65%
Year 8	93.03%
Year 9	92.45%
Year 11	91.07%
Year 8	90.60%

Our attendance could still be better, let's do all we can to get as close to 96% as possible before the end of term.
