Message from the Principal

@OasisCoulsdon

Dear Families,

A huge congratulations need to be passed on to all of our Year 11s and their families. They were superb throughout the mock exams and we will be sharing the results of these with them shortly and discussing how to make their last term at school really count at their final parents evening on the 23rd March. I would also like to thank our students who presented in our International Women's Day assemblies and organised our sponsored cycle on Friday, we are still waiting for some sponsorship money to come in and will share the total raised next week.

This week we have a jam-packed week at the academy:

- On Monday, all students will be attending a talk from the St Giles Trust, who work with young people to support them in being safe and making good choices in the community
- We have a Pi Day challenge on Monday for all year groups at lunch.
- Year 8 students will receive workshops from 3 mobile on internet safety
- Our Year 9 & 10 drama students are receiving a workshop from the National Theatre.
- Our Year 7/8 rugby team take on Wilson's on Tuesday
- Our Year 9s are visiting Bletchley Park, in Milton Keynes
- Another group of Year 9s are visiting Woldingham School for an author visit
- Year 7 students are receiving a Parliament workshop on Thursday
- On Friday we will be celebrating Comic Relief (see below)

Our enrichment offer seems busier now than it was before the pandemic! We regret that sometimes the number of students we can take on each visit or workshop is limited by the provider, however, we are working behind the scenes to ensure that places are allocated as fairly as possible to ensure all students get the opportunity to enrich their education.

We will also be celebrating the festival of Holi in assemblies and our habit for the week is forgiveness.

Have a lovely week.

Ms Green
Principal

Investor in Careers

We are proud to announce that the students and staff of Oasis Academy Coulsdon are committed to the assessment for Investor in Careers. This Quality in Careers Standard award is a kite mark for quality in Careers Education, Information, Advice and Guidance (CEIAG) and is recognised nationally across the country. It is awarded to schools who have demonstrated a commitment to provide impartial, independent CEIAG to young people, to improve students' awareness of opportunities, to raise their aspirations and to work with them to ensure they achieve their full potential. We will be launching our innovative careers programme 'Aspire to Inspire' in April 2022.
