Message from the Principal

Dear Families,

A big thank you to Adam from Year 7 and Ms Laurent who joined me for the fun run raising money for the Zaian Youth Centre. We are in the process of planning more activities outside of the school day, which will run out of the house at the school gates. If you are interested in supporting any of this work, we would love to have you join our [Hub Council](#).

This week we not only have our Year 11 exams, but it is also our assessment week for other year groups. These are short assessments to see how well your child had understood the unit they have just studied to help us plan for the next half term and put in interventions in advance of the end of year exams. As a result, it is a quiet week for our calendar. However, I am really looking forward to our First Give Final presentations from our Year 10s on Friday, good luck to everyone presenting.

We will be running some small activities at the Jubilee celebration in Grange Park on Saturday 4th June and look forward to seeing you there!

Our Year 11s have been superb so far in their exams and interventions, we are very proud of them.

Enjoy the holiday when it arrives.

Best wishes,

Ms Green
Principal

Tesco Community Grants
As an Academy we have been lucky to work with the [DSM Foundation](#) who deliver important messages through the art of theatre to young people in schools about the dangers of drug use. They are currently part of the Tesco Community Grants scheme in Tesco Purley Extra, Sanderstead Express, Coulsdon Express, and Croydon Southend. So, if you are in any of these stores please make sure you use your blue voting tokens to vote for them so that they continue their invaluable work.
