Message from the Principal

Dear Families,

We had a jam packed week last week, the highlight being our Euro Championship at lunch. A huge thank you to the PE team, the players, the coaches and everyone that made it happen. Our Year 7s and 8s were also fantastic in 'Alice in Wonderland'. Thank you to Ms Quaye for her support of the students. Most of the end of year exams are now wrapped up and we are so proud of how maturely the students have managed this. Our teachers now have a considerable amount of marking to complete but will give these back to students as soon as they can. We will then collate the results and get them to you later in the term once they have been moderated.

This week will be busy again. We are hosting a teacher training week and will be joined by 24 trainee teachers until Friday. They will be shadowing staff and completing some short teaching sessions during the week. Our staff benefit from having new staff to bounce ideas from and it is also useful for the school as part of our recruitment and retention plans. Our students normally love having the extra attention and always make excellent leaders and ambassadors during these weeks.

Our Year 10 Geography students are completing their GCSE field work and Drama students having their devising exam. Both of these count towards their GCSE grades. We are also welcoming our new Year 7 cohort for induction day on Friday. How time flies!

Have a lovely week.

Ms Green
Principal

Wednesday 10th July
- **Oasis's Got Talent**
Thursday 11th July
- **Sports Day**
Friday 12th July
- **Rewards Event**
Monday 15th July

NOTICES

COLOUR RUN

The Colour Run from last year has been rescheduled to **Monday 8th July**. Those who purchased a ticket last year do not need to book a space again and have been contacted directly. We have opened up tickets to Year 7 and once they have had a chance to book, we will assess how many spaces remain and open up to the rest of the school for anyone who didn't book last year.

ONLINE SAFETY

This week we are sharing The National College's guide on [What Parents & Carers need to know about Gambling](#). A report from the gambling commission found that 40% of 11-17 year olds had some experience of gambling, an activity restricted to those over the age of 18. With prevalent sporting events, such as the Euros, the exposure to online gambling can increase significantly, check out this week's guide for tips to stay safe.

ATTENDANCE MATTERS

Last week we saw a very slight drop in attendance for the whole school to 92.07%. We are on the home straight to the end of the year now, and we are sure that we can end on a high!

Well done to Year 7 who were top of the leader board last week.

Year 7	94.76%
Year 9	91.95%
Year 8	91.40%
Year 10	90.10%

Live attendance data is available on the parent and student MCAS apps.

MOMENTS
