## Message from the Principal

Dear Families,

A warm welcome back to the last half term of the year.

As ever the last part of the year is jam packed with exams, sports days, Oasis Got Talent and the beginning of the transition for our new Year 7s.

It has been lovely to see today how hard students have been working on their revision already. Please see the exam timetable here for the upcoming exams for Year 7-11.

We have less events on for the coming weeks to allow these end of year exams to happen. Please be aware that teachers do have a considerable amount of marking and then moderation before we return the exam results.

A huge thank you to all our families who made sure the Year 11s made the most of the half term sessions, it was fantastic to see them keep up the momentum as they go into the final weeks of their exams.

Have a lovely week.

Best wishes,

Ms Green  
Principal

## NOTICES

### PARENT COFFEE MORNING

We are pleased to invite you into the final Parent Principal Coffee Morning of the academic year on Wednesday 12th June, 9-10am. This will be a chance to meet with the Principal to share your thoughts and feedback on overall academy topics (this is not a chance to discuss individual student concerns). If you would like to attend please RSVP on the online form [HERE](#) before Monday 10th June.

### MENTAL HEALTH

This week we are sharing [The National College's guide on '10 Top Tips for Parents and Educators on Encouraging Health Friendships'](#). Navigating the complexities of adolescent friendships can be challenging, but with the right guidance these friendships can go on to be meaningful relationships which can last for years, or a lifetime.

## ATTENDANCE MATTERS

The final week before the break saw a whole school attendance of 91.43%. This was a disappointing dip in what had been a very positive half term for attendance; we hope to be on the up again for the final stretch of the year.

Well done to Year 11 who were top of the leader board last week.

Year 11	92.74%
Year 9	92.63%
Year 7	92.16%
Year 8	90.86%
Year 10	88.78%

Live attendance data is available on the parent and student MCAS apps.
