Message from the Principal

Dear Families,

What a fantastic time we had last week! The Year 11s were superb in their GCSEs and Year 7 and Year 10 began their end of year exams exceptionally well. In assemblies last week all students were given revision cards and strategies to help them, and it's been brilliant to watch students using these during the week.

Our Year 10s were incredible ambassadors for the school helping to run the Oasis Byron Sports Day. Their Deputy Principal, Mr Norris said 'The students interacted wonderfully with all of our children and represented Oasis Academy Coulsdon with great pride and professionalism.' Our Year 9s also had a workshop from the police regarding careers and a group of Year 8s visited St John's Church to be part of their D Day commemorations. It was also such a pleasure to meet the first of our new Year 6s at their 1:1 meetings and we were so proud of our Year 7 Transition Team who were incredible and making the new cohort feel so welcome. We were also so proud of our very own Mrs Richardson who played in the Royal Legion orchestra in Portsmouth and on the BBC's 'The One Show'.

This week is busy, with GCSE and end of year exams continuing, as well as workshops for Year 9 boys and a V&A trip for Year 10 Textiles.

We will have some further information from our safeguarding lead coming out this week, regarding concerns raised by the local authority with regard to vapes containing spice. As ever, it is always worth brining these conversations up, even if there are no concerns, to help best educate our young people.

Have a lovely week.

Ms Green
Principal

- **Year 7 Parents' Evening**
Wednesday 19th June

NOTICES

PARENT COFFEE MORNING

We are pleased to invite you into the final Parent Principal Coffee Morning of the academic year on Wednesday 12th June, 9-10am. This will be a chance to meet with the Principal to share your thoughts and feedback on overall academy topics (this is not a chance to discuss individual student concerns). If you would like to attend please RSVP on the online form [HERE](#) before Monday 10th June.

MENTAL HEALTH

This week we are sharing The National College's guide on '10 Top Tips for Parents and Educators on Encouraging Health Friendships'. Navigating the complexities of adolescent friendships can be challenging, but with the right guidance these friendships can go on to be meaningful relationships which can last for years, or a lifetime.

ATTENDANCE MATTERS

In our first week back, whole school attendance of 91.33%. Was lower than the last week of term, and not the start back we had hoped for, but we are sure we will be on the rise moving forwards.

Well done to Year 7 who were top of the leader board last week.

Year 7	92.77%
Year 9	92.58%
Year 8	90.16%
Year 10	89.77%

Live attendance data is available on the parent and student MCAS apps.

MOMENTS
