## Message from the Principal

Dear Families,

Welcome to the last week of Spring 1. The half term has flown by and we have been so impressed with the hard work and determination that your children have shown.

This week is our assessment week, where our students will complete their last short assessment before the end of year exams. After the holidays preparation will start towards these. Our parental engagement workshop this week is on revision if you want to learn how to support your child in advance of these, click on the link below to book your space. Revision lists will also be sent out later in the week and the focus in assemblies in our first week back will be revision for students.

We finish at the normal time this Friday and we will be teaching right up until the end of the week. Please do ensure your child's attendance is maintained during this time and please do avoid taking holidays in term time. We, unfortunately, see a dip in attendance every Friday, and particularly on the last Friday of term. We want to ensure students are dedicated and take their education seriously.

Well done to our Year 11s, we have been so impressed with your hard work. We hope that you will take up the opportunities for intervention over the holidays, not long now until your long summer holiday starts!

Have a lovely week.

Best wishes,

Ms Green  
Principal

Friday 24th May
- **Pride Month Begins**  
Saturday 1st June
- **First Day of Summer 2**  
Monday 3rd June

## NOTICES

### PARENT COFFEE MORNING

We are pleased to invite you into the final Parent Principal Coffee Morning of the academic year on Wednesday 12th June, 9-10am. This will be a chance to meet with the Principal to share your thoughts and feedback on overall academy topics (this is not a chance to discuss individual student concerns). If you would like to attend please RSVP on the online form [HERE](#).

### MENTAL HEALTH

This week we are sharing The National College's guide on 'What Parents & Carers Need to Know about School Avoidance'. The specific reasons for school avoidance are sometimes hard to pin down, this week's guide gives tips on how to help families support children to overcome anxiety which may be causing a damaging cycle to their learning and wellbeing.

## ATTENDANCE MATTERS

There was a slight dip in whole school attendance last week, with the percentage coming in at 92.92%! We hope we can finish the half term on a positive and get back on the upwards trajectory.

Well done to Year 11 who were top of the leader board last week.

Year 11	96.07%
Year 7	93.24%
Year 9	92.97%
Year 8	91.24%
Year 10	91.10%

Live attendance data is available on the parent and student MCAS apps.

MOMENTS  
MATTER.  
ATTENDANCE  
COUNTS.
