Message from the Principal

Dear Families,

Welcome to the penultimate week of the term. There will be a number of assessments happening this week (as opposed to the last week of term) due to the number of events and celebrations which happen next week. It is, therefore, a really important week for students. Please do encourage them to complete their homework to the best of their ability as this builds them up towards these assessments. Students will then start to receive these back as early as next week which is why it is so important that students are in every day right up until the end of school. As a result of assessments, we have no trips or events for Year 7-10 as we do not wish them to miss any lessons. Year 11 have their reward trip on Friday as they do not have assessments due to their mocks a few weeks ago.

We will be reviewing sets next half term for Year 7-10, however, as we need to consider a number of factors this does not happen straight away. When we change sets we do look at a number of assessments over time and discuss with teachers their thoughts on classwork before making any changes, which will be communicated to you in advance.

Last week we said farewell to Ms Suleyman, our Operations Manager who is moving on to a new and exciting role elsewhere. Ms Suleyman has been at the Academy for a decade and has made sure that the Academy is well supported organisationally and has been a huge support to me personally and she will be really missed.
